

## New eBills service!

**V**iew summaries of your household bills (phone, electric, oil...) right in the bill pay feature of your online banking account.

The new e-Bills feature displays the essential information you need to pay your bills on time, including amount due, due date, and unpaid balance. And this handy service maintains a complete history of your bills for easy review.

When you register for eBills, you will continue to receive detailed paper bills in the mail.

### **How to sign up**

To register, simply go to the Bill Payment section of your online banking account and click on the eBills registration button.

*An easier way to manage monthly bills!*
